

Rise Up and be a PHOENIX!

Farmington High School Mountain Bike Team is gearing up for another amazing season in 2021 and we want you to **RISE UP** and be a part of our team! In 2020 we had 136 student athlete racers, boys and girls from 7th grade to 12th grade, competing in all levels of the Utah Mountain Bike League. Our team participates in 5 sanctioned races throughout the state. The Farmington High School Mountain Bike Team is one of the largest mountain bikes teams in the nation and continues to grow and get faster every year.

How can I get Involved?

Becoming a sponsor is easy and has many levels of participation to meet various needs. 100% of your sponsorship will go directly to helping kids learn how to ride, race and support those in need of financial aid to participate in this amazing program and sport. We rely heavily on sponsorship monies or equipment donations to keep our program running efficiently and “well lubed.” Recognized as a 501(c)(3), we are a non-profit entity allowing a tax deduction for your donation. Your sponsorship and support has a great impact on the community and the lives of each one of our student athletes. Although your dedication through a financial donation is simply to show your generosity, we would also like to show our appreciation by offering some benefits and recognizing you personally or your business.
